

from many of the company's skilled craftsmen.

Mr. Bancroft's desire to roll up his sleeves and his ability to understand the business from the ground up has earned him the respect of both his employees and customers alike. Before becoming president in 2002, he worked in a variety of capacities throughout the years, serving as a project manager, human resources manager, operations manager, and vice president of operations. It is this intricate knowledge of the business, along with his distinguished leadership, that has resulted in Bancroft's tremendous 19 percent growth over the last 3 years, defying the downward trend of too many firms during these difficult economic times.

Additionally, Mr. Bancroft serves on several boards of trustees and directors, including, the Paris Utility District, University of Maine Construction Management Technology Industrial Advisory Council, Associated General Contractors of America Education Foundation Trust, and Self Insured Workers Compensation Group Trust. And just last week, Mr. Bancroft was elected chair of the Associated General Contractors of Maine.

On a personal note, in the winter of 2008, Mr. Bancroft donated the use of a crane and several employees to the town of Bethel to help the community construct Olympia SnowWoman. This architectural feat is now in the "Guinness Book of World Records" as the largest snowwoman at 122 feet and 1 inch tall—and what a record to hold! I am proud that Mr. Bancroft played such an integral part in a project that brought a great sense of community pride to Bethel and to Maine.

It is my distinct honor to congratulate Mark Bancroft, an immensely deserving individual, as the SBA's 2009 Small Business Person of the Year in Maine, and I extend my best wishes to everyone at Bancroft Contracting for their continued success.●
